Sunday 8/8	Departure from the festival

It is very important that all the groups are very precise by starting and ending every performing. If a group takes more time than the "Max" time on schedule, the microphone will be closet and the group will have only half the time at the next performing

To the 3 Gallashow the performens must be the same all 3 times!!

There are 15 groups performing and a little talk by the conferenciers between each group, so it is very important that all groups keep the time.

If a group take more than 10 min. the microphones and stage light will be closet, and the group will NOT performing at the next gallashow.

We are convinced that this will not be a problem for you, but we have earlier unfortunately seen some groups who didn't respect our program and time schedule.

Please notice that the Gallashow (Festival main performens), are in 3 different cities and on 3 different stages

In the program we haven't written about the accommodation.

You will get breakfast, lunch, dinner and an evening snack every day during the festival. Every morning all participant have to make their own lunchpacket.

If you have special wishes for your day off – if you have heard about something in Denmark you want to see then please tell us about it then we will try to arrange this for you if it is possibly.
